

stronger families, brighter futures

March 5, 2004

Mr. Gregg Eastin
The Imaging Path
2818 Washington Avenue North
Minneapolis, MN 55411

Dear Mr. Eastin:

On behalf of the children whose safety is secured, and parents in crisis who find strength and support through Greater Minneapolis Crisis Nursery's programs, we thank you for your **\$5,000.00** donation to our General Operating Fund from your beverage sponsorship for the 2004 Coney Island Beach Ball event.

Your gift, **received on February 6, 2004**, with the gifts of other concerned donors in our community, enables the Nursery to provide immediate relief to families every day through free programs including a 24-hour crisis hotline, residential child care, counseling, home visits, and referral resources.

Courageous parents seeking help in resolving their crisis situation recognize the Nursery as a resource in gaining greater self-sufficiency and securing a brighter future for their family. Through the support of donors and volunteers, the Nursery's staff is empowered to further our mission of preventing abuse and neglect of our community's children.

Your gift can make a difference in children's lives now and in their future. Thank you again on behalf of every life your gift impacts in our community.

Yours in service,

Doug Carter
Executive Director

P.S. We want to ensure we acknowledge your gift properly. The Nursery will list your name as **The Imaging Path**. Please call us at 763-591-0400, extension 253, if you would prefer to be listed in another manner.

Please retain this letter for tax purposes. In accordance with the Revenue Reconciliation Act of 1993, the Internal Revenue Service regulations require Greater Minneapolis Crisis Nursery to indicate if goods or services were provided in consideration of your gift.
